

John Schanbacher's Photo Request

At our meetings, and in our newsletter, John Schanbacher has requested that our members take a picture of themselves with their favorite classic car. To date, only three or four of our members have done so.

This was requested so that John could put together a booklet, available to all members ONLY.

Can we not do this? We need to have more participation in the club's activities. Apathy can and will kill our club.

April AACA Nationals Charlotte

On the weekend of April 13-14 2023, Jack Hanbury and I traveled to the AACA nationals in Charlotte. It was a beautiful day for a car show, and many great cars were there.

I was able to buy several die cast cars to add to my collection. Jack acted as the ambassador representing the AACA to the participants.

All in all, this was a great trip. We enjoyed the cars, and the shopping!. –DWR

The Jack Hanbury Scholarship for Lively Tech Automotive Class

Tallahassee Region Antique Automobile Club of America (TRAACA) The Jack Hanbury Scholarship for Lively Technical College Automotive Services Tech II Program Each year the TRAACA (the Car Club) Jack Hanbury Scholarship Fund awards two \$500 scholarships to Lively Technical College Automotive Services Tech II students. Students eligible for the scholarships must be enrolled in the Automotive Services program and have satisfactorily completed the Automotive Services Tech I program. These scholarships are based on demonstrated achievement and expressed interest in pursuing employment in the automotive industry. The Scholarship Fund began in 2016-2017 school year, when the Car Club sponsored a local Soap Box Derby. Jack Hanbury, Car Club Past President (2001), suggested that an additional \$250 from the Car Club be added to the \$250 funds that were left over from the Soap Box Derby, and donate \$500.00, in the Club name for 2 Lively scholarships. This was approved and 2 scholarships for \$250 each, were awarded to students in the Lively Automotive Services Tech II program, for the 2017- 2018 school year. The following is a timeline of the TRAACA Jack Hanbury Scholarship Program.

2016-2017 The TRAACA Jack Hanbury Scholarship program began as described above.
