

Wings and Wheels Car Show

The Wings and Wheels Car Show held at the Tallahassee Airport on Sept 18th was a big hit.

There were approximately 85 cars in attendance and it was a beautiful day.

The registration went smoothly, and there were many spectators admiring the cars and trucks. I spent a lot of the day telling folks how wrong Ralph Nader was about the Corvairs.

Craig McCollum's Jaguar won a best in class.

Chilli Cookout and Club Auction is on!

I contacted Don and Pam Pumphrey on August 11th. They were both excited about hosting the club's event at their property.

This was an annual event until last year due to the pandemic.

The Moultrie Car meet is scheduled for the 19-21 2021.

The date was set as November 7th a Sunday. Arrive between 11 and 12. Lunch at 1. Please bring your chilli or another covered dish for all to enjoy.

Our thanks go out to the Pumphreys for hosting our best event of the year!

Don't forget auction items to benefit the club. Always fun!

Possible Bus/Museum trip to Ocala/ Change of date.

From Neal Davis:

I have contacted both museums in the Ocala area (Don Garlits and NPD) They can handle us. The Garlits museum is \$10.00 each for Seniors. NPD is no charge. We can have lunch at Sonny's or Cracker barrel.

We would leave Tallahassee at approximately 7 a.m.. Be at NPD at 9a.m., Lunch. Then Garlits at 1 pm. We would leave Garlits at 4:30 pm and arrive back at Tallahassee at 6:30 pm.

Bus would be \$45 per person or if we have a great turnout, \$55.00 for

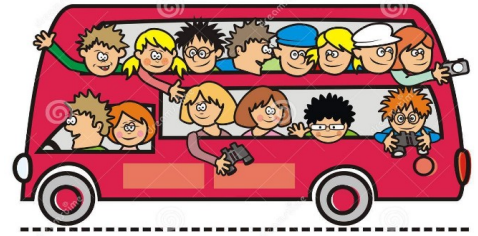

the 55 passenger bus.

How many would sign up for this trip if held on January 22nd 2022. Extra seats could be sold to grand-kids and friends, or potential new members.

Let us know as the bus company is filling fast due to game days.

Thank You all. Hope we can pull this fun day off.

We will be discussing this trip at the September meeting

TRAACA Meeting Information September

The cutting down of the number of meals has helped with our out of pocket costs. If you are planning on attending a meeting and have not for a few months, please let me know so we can adjust our meal count.

Neal spoke about the National event, and stressed again that this is a lot of effort and cannot be done with few volunteers. We have the perfect spot, and the perfect time of year.

Phil Reichert gave a presentation about

his trip to the Petersen car Museum in California. There were some beautiful cars there and the program was enjoyed. Thanks Phil.

We discussed the number of shows coming up in October. See the forms attached to the newsletter. The Rangers at MacClay are requesting that you contact them

to confirm your attendance. They need a car count as they are providing the candy for us to give out.

Also, note that the Celebration show follows MacClay and is near the same place.

Monticello Lions club is holding a show on Oct 9th in the Winn-Dixie Shopping center.

Fern and Honeybun go to Wakulla Springs

On National Model A Day, Fern and Honeybun took Sue and Phil and KK & Chuck to Wakulla Springs where they rode the boat and photographed them at the Lodge.

Then off to lunch in St. Marks on the water at the Riverside Café. A really fun outing. What could be better than motoring in 90 year old Model A Fords with good friends who share the same affection for Model A's. The best car ever built. One more thing: we made the trip without a breakdown.

—Chuck Kunstbeck

The three region meeting scheduled for October 23rd has been canceled by the Suwannee River AACA. Many concerns still linger regarding the Covid, and Shirley McManus, their President, was injured. She stated that we would try for another time down the road.

We all send our best wishes to Shirley and hope she recovers quickly.

Craig McCollum attended the show in Pavo Georgia on Sept 11th. His Austin Healey won best in Class there! Congrats Craig!
