

Return of the Chilli Cookout

As all are aware, the Pumphreys are being kind enough to again open their property to our Chilli Cookout and Auction. This is a yearly get together that was enjoyed by all. They have the perfect place for a large gathering and are the best hosts around!

A short meeting will consist of election of 2023 Officers and to discuss the member of the year, also to be voted on..

After the meeting, everyone will adjourn to the auction area. Please bring a chair if you want.

Our great auctioneer and Vice President, Craig McCollum, will do his usual fantastic job, assisted by Tommy and

Ken (Hopefully!)

Please bring auction items to help raise funds for the club. Automotive items, tools, or just anything you are looking to get rid of. Nice time to clean out the garage!

Thank you goes out to Don and Pam Pumphrey for their hospitality during the event. Everyone looks forward to this event every year.

Reminder to the Club

On Sunday, November 6th, 2 am, the clocks fall back one hour.

You wouldn't want to show up at the Cookout/auction too early.....DWR

Potential Scam Notice: USclassifieds4u.com

Recently John Lester advertised his 1967 Oldsmobile 442 convertible on Hemmings, and a few other sites.

The site listed above then carried an advertisement for his car at a greatly reduced price, The photographs were stolen from, as John stated, the Hemmings site.

He has contacted them via email telling them that their ad is fraudulent. As on Saturday, September 17th he has had no response and the ad is still up.

I went to the site this morning and it was still there. I looked over numerous ads, and noticed that the wording on more than ten was exactly the same as the ad in question. It is apparent that the ad is false.

What can be done about this type of thievery?

1. If you are going to list your car for sale on several classified sites, use different views of the car for each site. Shot from different angles etc. This will make it so you can

track the car if a false ad shows up. Then hold the classified company accountable,

This kind of situation is very hard to track. The companies that advertise should use a better spyware or security format to protect themselves and their advertisers. But sadly, they don't. Can we stop it? Probably not.

Gerber Collision Cars and Coffee

As you are aware, we hold a Cars and Coffee get together at the Gerber Collision shop, on Appalachee Parkway, the first Saturday of the month. The time is 9a.m. till 12 p.m..

This October, The club voted to hold the cars and coffee at the Lions Club car show in Monticello on October 1st. 9am-1pm. This is a one time change.

The folks at Gerber always go out of their way to make the event as welcoming as possible. The coffee is hot, and the donuts are great!

Veteran's Day Parade in Monticello November 11th

The city of Monticello holds a parade each year to honor our veterans. It is a small parade but there are always plenty of onlookers. The parade is set for 11 am on Nov 11th. If you would like to join in, I will be sending out more information as it comes to me.

New Committee Idea for TRAACA

There is a need in our area for a "Communications Committee".

The focus of the group will be to start and maintain communications with all the area car clubs. This is needed because we have situations in which either too many shows are held on one weekend, or no information is getting around to the various clubs.

The outcome of the groups all working together will be that shows will be spread out a bit, information will be transmitted to all the clubs regarding shows, Cars and Coffees etc. The hope is that attendance on the part of spectators and club members will improve.

During the last show, I was approached by many spectators

asking how they could find out when these shows are going to be, or just saying that they saw no advertising.

As another part of this committee, we will explore advertising options, and get more information out to the public.

I would like to discuss this at the November meeting and hopefully get it going. Don R

A Banner Day for Classic Cars & Trucks

October 22, 2022! There were no fewer than five antique, classic and special car shows in the Big Bend part of Florida on that beautiful, sunny Saturday. But, which one do you choose? Well, if you worked it out correctly, you could have woken early and headed for the Wheels and Wings show at the Tallahassee International Airport Flight line. Around noon, you could have attended the Trunk and Treat Show at Maclay Gardens. And later, around four PM, you might have enjoyed the Celebration Baptist Church show in Killlearn Estates. The difficult one would have been the show at the Florida Forest Festival in Perry. After all, that's about 55 miles east from downtown Tallahassee. My guess is, all of the planners of these events knew there was no FSU or FAMU football home game that weekend. So, that left the day open to other cultural events.

Anyway, I did not show a car (because my 1969 AMC Javelin still needs a new interior and a good paint job), but I did manage to shoot some photos at the Wheels and Wings and the Celebration Baptist shows (see select photos below).

The Wheels and Wings show suffered from the choices classic car owners had on that Saturday for a venue to show their vehicles. Last year, there

were at least three times the number of vehicles entered into that show than were there this year. I think the Celebration show (which is usually held each June on the Saturday before Father's Day) has become the giant show to which everyone with a show car gravitates each year. There were probably 200+ cars on display on the grassy field behind the church.

As is the usual case regarding my photography habits, I shot over 100 photos at the two venues. Here are a few. By the way, if you attend the Wheels and Wings show next year, there were \$40 helicopter rides available at this year's show. Save up for an aerial view of Tallahassee. Take a look at the one antique airplane that was at the show...and the yellow Javelin...the Chevy wagon...Ford wagon...Porsche...Rambler... Oh, by the way, there was

music and food, too.

South Georgia CCC. Show in November

The South Georgia Classic car Club will hold a large show on Saturday, November 12th.. Chantel and I attended Last year and acted as judges for this event. There were some very fine vehicles here and the judging was very close. This year, the club has asked if we could provide some judges. I hope most will attend. It could be a tour for TRAACA!

The SGCCC folks made us feel right at home and were very generous. A great bunch of folks to get to know. I asked them to forward any events they are hosting and agreed to do the same,

Pictures from an older trip to Monticello

These pictures were taken in Monticello during a tour made by the Model T club. A lot of our members were a part of this. I took these, and I believe it was possibly 2013? Anyone that knows, please let me know. Don R.

The Trunk or Treat show at McClay gardens October 22nd

It was a cold morning on Saturday. The Trunk or Treat show still went on. There were a scant number of cars, but enough to have the kids get lots of candy.

We took the 57 Ford, and the 93 Corvette. It did get warmer and a lot of kids and parents showed up.

All the cars got a lot of attention and the kids enjoyed the candy.

McClay Gardens Rangers said that this was the best year so far with the trick or treaters. Luckily they were all taken care of.

Life was good as the weather held nicely and it was a pleasant day for all.

Preparations for Elections in November and The club Christmas party.

The elections for all offices will be held at the Chilli Cookout in November. Said officers to be named at our Christmas Party in December.

Should any member wish to run for office, please make that known to me prior to the cookout on

November 6th.

I would like to see a committee volunteer to make preparations and set up our Christmas party this year. I think that it would be nice to get a group together and plan this event. Should you wish to volunteer, please let me know

asap.
