Member needs a vehicle

“I need to replace my daily driver. I’m looking for, in order of desire, a four door full sized truck. No GM or Chrysler. Looking for a Tundra, Titan, F150, or SUV based on those trucks. Must be capable of hauling 4X8 plywood.

As a fallback, a full sized station wagon from 1988-1996 including GM and Chrysler products. Looking for low mileage and good condition, Will consider others. Trying to avoid High tech,
