

Return of the Chilli Cookout

As all are aware, the Pumphreys are being kind enough to again open their property to our Chilli Cookout and Auction. This is a yearly get together that was enjoyed by all. They have the perfect place for a large gathering and are the best hosts around!

A short meeting will consist of election of 2023 Officers and a short meeting to discuss the member of the year, also to be voted on..

After the meeting, everyone will adjourn to the auction area. Please bring a chair if you want.

Our great auctioneer and Vice President, Craig McCollum, will do his usual fantastic job, assisted by Tommy and

Ken (Hopefully!)

Please bring auction items to help raise funds for the club. Automotive items, tools, or just anything you are looking to get rid of. Nice time to clean out the garage!

Thank you goes out to Don and Pam Pumphrey for their hospitality during the event. Everyone looks forward to this event every year.

The date of the Cookout is November 6th. 11:30am

Hershey National Show 2022

This October, Jack Hanbury and I will be traveling to Hershey again. I will be judging and Jack will be an ambassador for the AACA.

Norm and Kathy Madsen will

also be there. It is hoped that we can get together for a dinner or lunch and talk about the show.

Last year, Jack and I went there. It was my first year and I loved it. The car corral and vendor's lot is incredible. See you all when we return. DR.

Potential Scam Notice: USclassified4all.com

Recently John Lester advertised his 1967 Oldsmobile 442 convertible on Hemmings, and a few other sites.

The site listed above then carried an advertisement for his car at a greatly reduced price. The photographs were stolen from, as John stated, the Hemmings site.

He has contacted them via email telling them that their ad is fraudulent. As on Saturday, September 17th he has had no response and the ad is still up.

I went to the site this morning and it was still there. I looked over numerous ads, and noticed that the wording on more than ten was exactly the same as the ad in question. It is apparent that the ad is false.

What can be done about this type of thievery?

1. If you are going to list your car for sale on several classified sites, use different views of the car for each site. Shot from different angles etc. This will make it so you can

track the car if a false ad shows up. Then hold the classified company accountable,

This kind of situation is very hard to track. The companies that advertise should use a better spyware or security format to protect themselves and their advertisers. But sadly, they don't. Can we stop it? Probably not.

Gerber Collision Cars and Coffee

This October, The club voted to hold the cars and coffee at the Lions Club car show in Monticello on October 1st. 9am-1pm. This is a one time change.

The folks at Garber always go out of their way to make the event as welcoming as possible. The coffee is hot, and the donuts are great!

We will be parking our cars closer to the roadway so travelers can see them.

Veteran's Day Parade in Monticello November 11th

The city of Monticello holds a parade each year to honor our veterans. It is a small parade but there were plenty of onlookers.

If you would like to join in, I will be sending out more information as it comes to me.

Craig McCollum and the 1935 Plymouth

During the tour on September 17th, All went well.Except that Craig's 35 Plymouth broke down enroute to his home.

Luckily, John and Joe Wells came upon them, and got them home so Craig could get his truck and trailer.

When he got back to the car, it started right up. He loaded it and took it home.

A new gas tank was ordered to fix it.

TRAACA Meeting Information from September

Our monthly meeting was held on Tuesday Sept 13th. The meal was a delicious Lasagna , both meat and veggie. Great job to the chef! Thanks go to Ken and Jenny Hart for taking over the job of contacting the chef with date and meal count.

The club discussed and voted to move the location of the Cars and Coffee to be able to attend the Lions Club car show in Monticello on October 1st. Times 9am-

1pm. Last time it was a great show, and we enjoyed the small town atmosphere. The show will be held in the Winn-Dixie shopping center, by CARQUEST auto parts.

On October 22nd, from 9am-12pm, McClay Gardens will be hosting the Trunk or Treat car show again. The only cost is a bag of candy that you will give to the children. It was a small show last

time, and was fun. There will be food vendors there also.

The South Georgia car club is holding a show in Valdosta on November 12th. See article in this newsletter.

November 6th is our Chilli cookout and auction to be held at Don and Pam Pumphreys home. See article in newsletter.

The meeting was adjourned at 7:41 pm.

South Georgia CCC. Show in November

The South Georgia Classic car Club will hold a large show on Saturday, November 12th.. Chantel and I attended Last year and acted as judges for this event. There were some very fine vehicles here and the judging was very close. This year, the club has asked if we could provide some judges. I hope most will attend. It could be a tour for TRAACA!

The SGCCC folks made us feel right at home and were very generous. A great bunch of folks to get to know. I asked them to forward any events they are hosting and agreed to do the same,

Preparations for Elections in November and The Club Christmas Party.

The elections for all offices will be held at the Chilli Cookout in November. Said officers to be named at our Christmas Party in December.

Craig and I both feel it is time for a new President and Vice-President.

Should any member wish to run for office, please make that known to me prior to the Cookout on November 6th.

I would like to see a committee volunteer to make preparations and set up our Christmas party this year. I think that it would be

nice to get a group together and plan this event. Should you wish to volunteer, please let me know asap.
